Brightening
the state of
service in the
Sunshine State

Orlando regional service center

Our dedicated local team is eager to meet the needs of your projects across doors, frames, and Allegion brand hardware. Applying technical expertise across trusted hollow metal brands Republic and Steelcraft, we will estimate, specify, and troubleshoot your project at every step ensuring your hollow metal needs are not only met, but exceeded.

Consult the service center or sales contacts listed on the reverse side of this page for further details and a tour.
