

# Republic

## Dallas regional service center

### Local, trusted services in Texas

Our local team of experts carefully curate and stock Republic centers based on regional preferences, modify the stock to your needs, and offer shipping from a site closer to your door. In other words, we have a product portfolio tailored for you with lower freight costs, quicker service, and a closer relationship with your provider.

Every center is backed by our primary manufacturing facility, so if there's ever anything you need that our regional centers don't offer, we'll call in our team who does.

#### Center capabilities

- Custom frame manufacturing
- Frame and elevation welding
- Anchor prep and installation
- Door light and louver cutouts
- Glass light kit installation

#### State of the art equipment

- All new frame manufacturing equipment
- Advanced laser technology providing high cut quality, speed and flexibility for all hardware cutouts, end trims and opening size requirements

#### Local facility and team

- Trusted partners dedicated to the success of your business
- LTL shipping or customer pick up
- Wide variety of door and frame stock for quick turnaround
